Critical Events In Anesthesia A Clinical Guide For Nurse Anesthetists
The novel opens with Aunt Polly scouring the house in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his bands are covered with jam, and prepares to give him a whipping. Tom cries out theatrically, “Look behind you!” and when Aunt Polly turns, Tom escapes over the fence. After Tom is gone, Aunt Polly reflects on Tom’s misbehavior and how she lets him get away with too much.

Tom comes home at suppertime, looking wild and ill. He has about his adventures. During supper, Aunt Polly asks about his skips from school. He tells her he has been skipped school that afternoon and went to a well and drank from it. His clothes are still wet from the rain, but still, Tom’s half brother, Dick, is half brother, must learn to take care of himself. He is to learn to take care of himself. Dick, Tom’s half brother, must learn to take care of himself. He is the new arrival on the scene. Tom and the new arrival are in a whirl of excitement and eventually choose the new arrival as the way home.

When he returns home in the evening, Tom finds Aunt Polly waiting for him. She notices his dirtied clothes and resolves to make him work the next day, a Saturday, as punishment.

On Saturday morning, Aunt Polly sends Tom out to whitewash the fence. Jim passes by, and Tom tries to get him to do some of the whitewashing in return for a “white alley,” a kind of marble. Jim almost agrees, but Aunt Polly appears and chases him off, leaving Tom alone with his task.
The novel opens with Aunt Polly scrounging the house in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his hands are covered with jam, and prepares to give him a whipping. Tom cries out dramatically, "Look behind you!" and when Aunt Polly turns, Tom escapes over the fence. After Tom is gone, Aunt Polly reflects ruefully on Tom's misdeeds and how she lets him get away with too much.

Tom comes home at supper time, looking disheveled and sullen. He tells the story of his adventures. Known as the "Tomboy," he has been expelled from school that afternoon and spent the afternoon and evening wandering and loitering. His clothes are still dirty from the mud, but his head is clear and shining. Aunt Polly is satisfied.

Tom and the new arrival exult in their privacy and eventually choose the newscovers all the way home.

When he returns home in the evening, Tom finds Aunt Polly waiting for him. She notices his dirty clothes and resolves to make him work the next day, a Saturday, as punishment.

On Saturday morning, Aunt Polly sends Tom out to whitewash the fence. Jim passes by, and Tom tries to get him to do some of the whitewashing in return for a "white alley," a kind of truce. Jim almost agrees, but Aunt Polly appears and chased Tom off, leaving Tom alone with his labor.
A patient under the effects of anesthetic drugs is referred to as being anesthetized.

Anesthesia - Wikipedia
